## **AscendTMS Provides Free Credit Checks For Brokers, Carriers, and Shippers**

### ***AscendTMS Is The Only Transportation Management System (TMS) To Offer Zero-Cost Credit Checks To Its Users***

Tampa, FL – August 26, 2016

InMotion Global, Inc. announced today that AscendTMS, the world's fastest growing transportation management software (TMS), has added free credit checks and credit reports for brokers to its comprehensive feature set. AscendTMS is the only TMS on the market to offer free, real-time, credit reports and credit checks.

Tim Higham, president and CEO of InMotion Global, Inc. said, "Knowing who to extend credit to, or not to, is more important today than ever. With AscendTMS, carriers and brokers can now complete a full credit check and get a credit report at no cost. This complimentary service, sponsored by Triumph Business Capital, means that AscendTMS can now offer a zero-cost credit reporting solution that is fast, accurate, and free."

The AscendTMS credit check service looks at millions of transportation payment records and establishes a credit score and payment probability based on historical records and payment details. It is updated daily.

In addition to the new credit reporting features, AscendTMS is the only TMS to offer seamless cash funding on completed loads, it offers fully customizable load management screens, free GPS load tracking built into the TMS, free document management, sending of drivers instructions via text from the TMS (and receive replies), complete fleet, asset, and driver management, IFTA tax reporting, full brokerage management, easy accounting, full reporting, user role management, branch and agent management, a free truckload rate index, a free driver pay and settlement module, free route and load optimization, free customization, EDI connectivity, and much more.

Higham continued, "AscendTMS is the undisputed leader in TMS value, offering more features for less money than any other TMS in the world. AscendTMS is the only TMS software provider to offer credit checks as an included service. I believe that's the pure definition of value for our customers, who are looking for the best available TMS technology at the absolute lowest cost."

AscendTMS continues to be the only transportation management system (TMS) offered at no cost for the base system, and is the only TMS that can be launched immediately from a website by new users with no contract, no upfront fees, no credit card, and no long-term license agreement. AscendTMS continues to be the world's leading cloud based freight brokerage software, trucking software, and shipping software and has won every major industry award over the last 14 years.

**About InMotion Global:** InMotion Global, Inc. provides the free, award-winning, patent-pending Transportation Management System, AscendTMS®, to freight shippers, freight brokers, and trucking companies. AscendTMS® is used by thousands of companies in 19 countries, from small single-person logistics operations to multi-billion dollar international corporations, to manage any logistics operation.
