## **Brooke Transportation School Chooses AscendTMS™ For Teaching And Offers Free TMS Software To Students And Graduates**

### ***Prestigious Freight School Endorses AscendTMS™ Software***

Brandon, FL – February 23, 2016

InMotion Global, Inc. announced today that it has partnered with Brooke Transportation Training Solutions, LLC, the prestigious freight brokerage school, to provide AscendTMS™ to all new and graduating students. Students will use AscendTMS™ to learn enterprise transportation management system (TMS) concepts during their courses, and will be given the system, for free, upon graduation.

Tim Higham, president and CEO of InMotion Global, Inc., developer of AscendTMS™, said; “Brooke Transportation Training is one of the longest standing freight schools in the industry, which is a testament to the quality of their teaching and to the success of their graduates. Brooke has one of the most comprehensive course outlines I have ever seen, and they will now have AscendTMS™ to provide state-of-the-art TMS software training to continue that legacy.”

Jeff Roach, founder and CEO of the Dallas freight brokerage school, said; “Technology drives almost every major advancement in the field of logistics today. Our students need access to the latest technological developments to succeed, and our partnership with InMotion Global allows us to offer their AscendTMS™ system to each and every Brooke student and graduate. I have never seen anything like AscendTMS™ in my many decades of teaching. It provides all the tools needed to successfully run any logistics business with just a PC and an Internet connection.”

AscendTMS™ continues to be the world’s only transportation management system (TMS) offered at no cost for the base system, it’s the only TMS that can be launched immediately from a website by new users, and it’s the only TMS offering requiring no contract, no upfront fees, and no long-term license agreement. AscendTMS™ continues to be the world’s leading cloud based freight brokerage software, trucking software, and shipping software, and has won every major industry award over the last 14 years.
